

Dear PSDI 2015 participant,

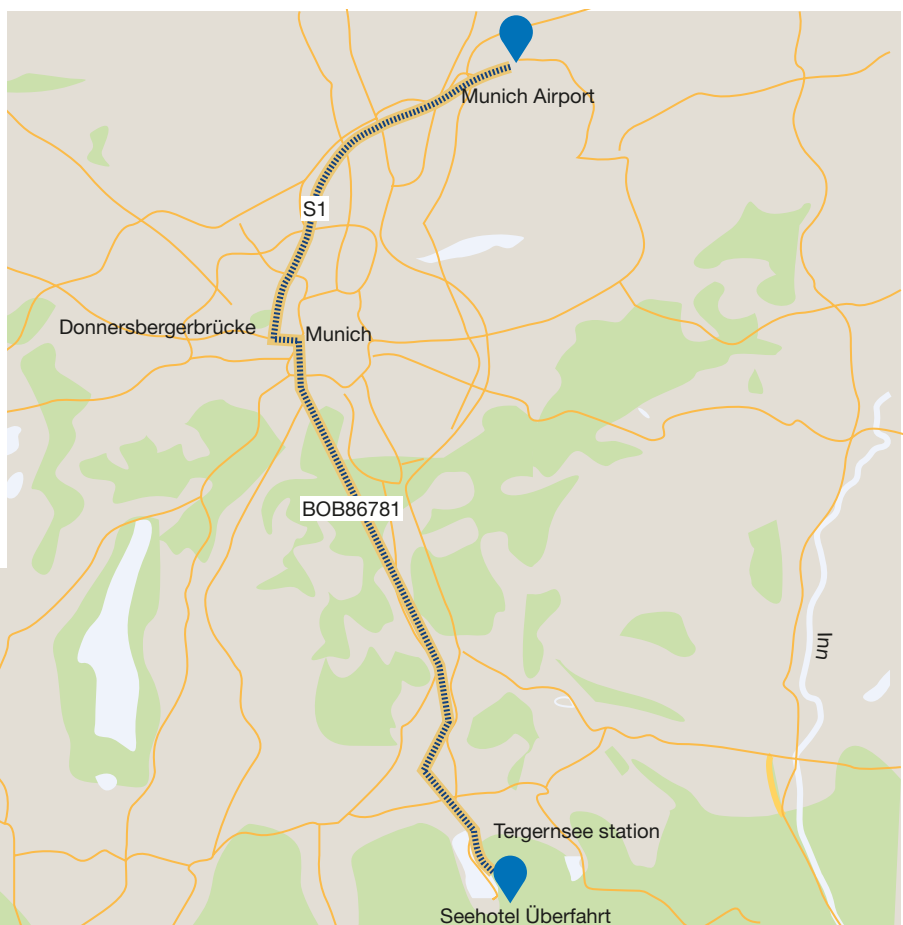

As the conference opening approaches, we would like to give you some detailed information about the local transportation at the Tegernsee-area. From the Munich Airport (MUC) to the conference hotel (ALTHOFF SEEHOTEL ÜBERFAHRT, Überfahrtstraße 10, 83700 Rottach-Egern, Germany) you can either take a taxi or use the public transportation (by train).

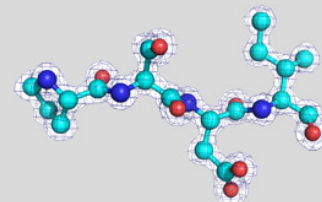

### PUBLIC TRANSPORTATION (ABOUT 2 HOURS)

We highly recommend to buy a train ticket (single ticket) which can be purchased for 21,80€. The ticket covers the ride from Munich Airport to Tegernsee train station.

**1)** Take the S1 train from the train station **Munich Ost** (usually leaves from platform 1 / every 20 min). **2)** Leave the train at the train station **Donnersbergerbrücke** (arrives at platform 3, ride takes about 43 min). **3)** Take the **BOB/Bayerische Oberlandbahn** (usually leaves from platform 2 / every hour). You have about 14 minutes to change the trains. **4)** Leave the train at train station **Tegernsee** (ride takes around 1 hour).

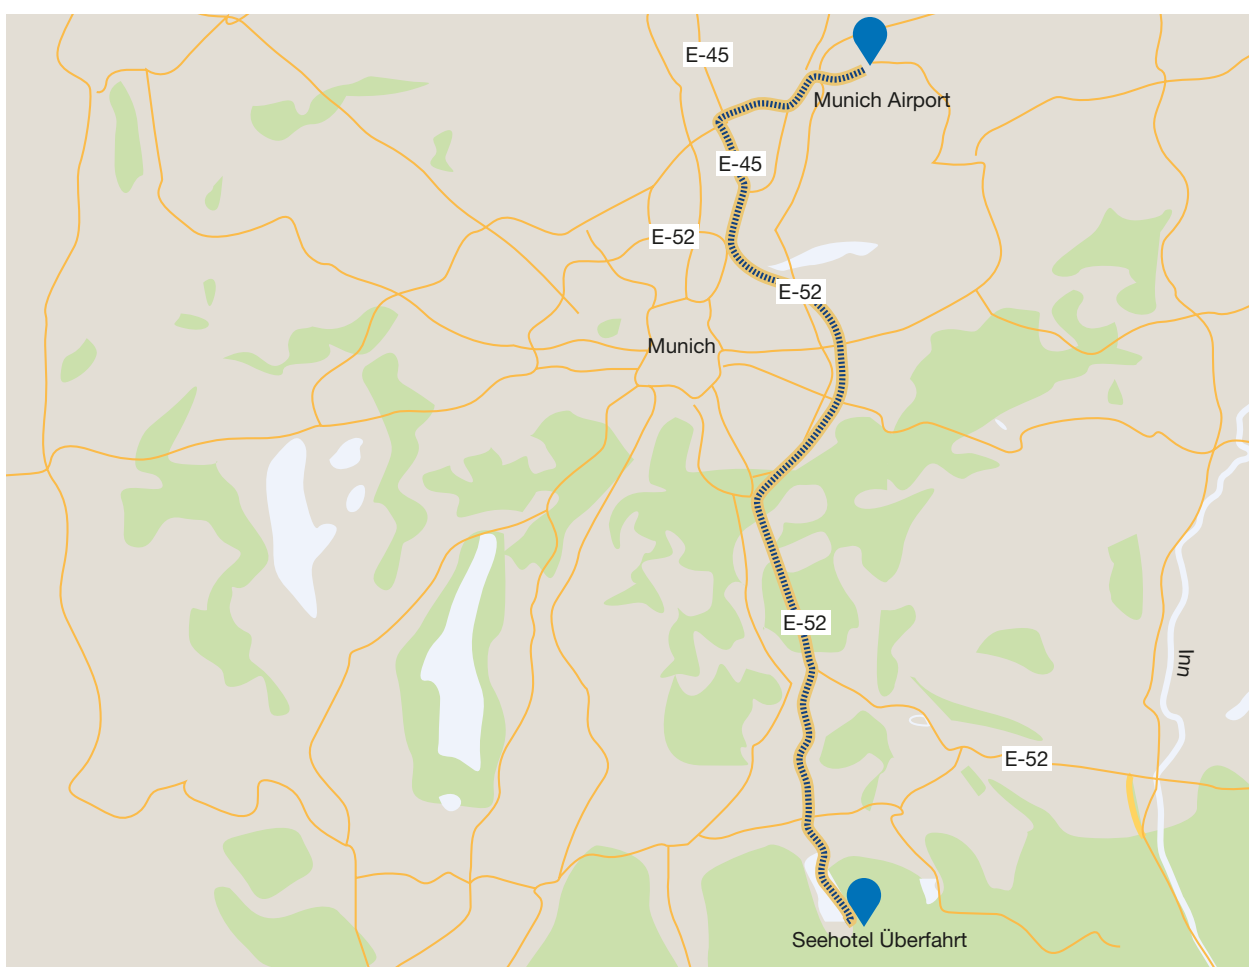

**5)** After you arrived at the Tegernsee train station you need to take a cab to the **ALTHOFF SEEHOTEL ÜBERFAHRT** (takes approx. 10 min, 4,2 km, around 16€) During the one hour ride you can enjoy the beautiful scenery and breathtaking nature of the Tegernsee area. The whole trip takes roughly two hours.

## TAXI (ABOUT 1 1/2 HOURS)

The price for a taxi ride from the airport to the hotel is around 160€ and takes about 1h 30 min (97km). Some of the taxi drivers don't accept credit cards. Please ask the driver for payment options and the estimated price in advance and request a receipt after the ride.

We're looking forward to see you soon!

Best regards,

The PSDI 2015 Organizing Committee
